Please list any significant milestones and success stories that the SAC would like to highlight.

Our MVEC SAC was able to support our entire school for the 2025-26 academic year by providing the necessary funding to allow us to purchase all the required school supplies for all students in grade Primary to 6. This undertaking allows all students and their families to have equitable access to the materials to be successful in supporting the implementation of our schoolwide Math and Literacy initiatives. This bulk purchase was well received by all families who were very thankful for the ease of the financial burden and pressure of back-to-school shopping. The current SAC has approved that the undertaking of this project will also be continued for the 2026-27 academic year.

The SAC has been very active in the lives of the students of MVEC through their diligent work and dedication to the staff and students. Their unwavering support and valuable insight have helped ensure that MVEC continues to be a place where all are welcome and valued and where learning is a shared journey for all in our school community.

Please describe any related sub-committee work undertaken by SAC members (e.g., School Options Committee).
